

Oasis Grades 1st-4th MPact

~~We have begun studying the book of DEUTERONOMY ~ (How would you like that word on your spelling test?)~~~ The name refers to a “second telling” of the law. The people of Israel were finally about to enter the Promised Land. God wanted them to stop, and remember where they had come from and how He had miraculously cared for them throughout the last 40+ years. In fact, God wanted them to be sure to teach their children and grandchildren about Him. They needed to know His laws and know the stories of His greatness.

What stories do you think the Israelites told their children about God’s greatness?

Why do you think God wanted to remind them of His law before they entered the Promised Land?

Ask your mom and dad to tell you some stories about how God has worked in their lives. It is a wonderful thing to remember the great things God has done. Maybe you can even write those stories down so you can tell them to your children and grandchildren some day. And be sure to write down the good things He does in your life too!

James 1:17(HCSB) says, “Every generous act and every perfect gift is from above, coming down from the Father of lights; with Him there is **no** variation or **shadow** cast by **turning**”. (God doesn’t change!)

How does this verse talk about God’s faithfulness?

So, if God is the same today as He was during the time of Moses, God is still the same faithful, powerful God. In fact, it is IMPOSSIBLE for Him to be unfaithful! As a family, take some time to thank God for His faithfulness!

Luke 18:35-43 Jesus Listens to Me

We learned today about a man named Bartimaeus. Bartimaeus was sitting by the road outside a city called Jericho and begged for money to buy food. Bartimaeus was blind but he was able to hear the people all around. The people told him that Jesus was passing by. This made Bartimaeus happy because he knew that Jesus would listen if he asked for help. Bartimaeus called out to Jesus for help. Jesus heard him and listened to him. Bartimaeus asked Jesus to help him see. Jesus told Bartimaeus that you believed in me, now you can see. Bartimaeus could see and praised God. Jesus listened to Bartimaeus and helped him just like He listens and can help you if you asked Him to.

John 4:46-54 Jesus Can Help

Today we leaned about a Father asking for help for his sick little boy. The father knew that Jesus could help so he walked to find Jesus. When the father found Jesus he begged him to come to his house and heal his little boy. Jesus cared about this father and his son. But Jesus did not go to their home. Instead Jesus said, “You may go. Your son will live.” The father trusted Jesus and started back home. His servants ran to meet him on the road and told him that his son was healed. Jesus heals the sick son because the father asked him to. Jesus can help you to. All you need to do is ask.

Hello from the Mzawa Church staff! Mzawa Church is currently going through the Ten Commandments in Exodus 20. This week we are talking about the fifth commandment found in Exodus 20:12, “Honor your father and your mother, so that you may live long in the land the Lord your God is giving you.”

As a family, read Exodus 20:1-12 and answer the following questions:

1. What did the first four commandments have in common?
2. What commandment did we talk about today?
3. What does it mean to “honor” something? Why has God called us to honor our parents?
4. Come up with different things you can do and say to honor your parents better.

Our parents make tough decisions and, sometimes, we do not always agree with them. However, moms and dads make rules and tough decisions so that we can be safe and learn the best way to honor God. Moms and dads have been through a lot more in life than their children, which is why they know what is going to be good for us and what can be bad for us. This week, remember to be thankful for the family God provides to protect us, care for us, and love us.
