

# Oasis Grades 1st-4th MPact

Does God keep His promises? We usually get warm and fuzzy feelings about how God keeps His promises to bless us and protect us, but this week, we learned about how God keeps His promises to punish and correct the people of Israel. God had given Israel more than fair warning that He would bless them richly if they obeyed, but He would also seriously punish them if they disobeyed.

**What did Israel do wrong?** (Judges 3:6-7)

**How did God punish them?** (Judges 3:8)

**What did God do when Israel cried out to Him for help?** (Judges 3:9-11)

If you read through the first 3 chapters of Judges, you will see an awful pattern of the tribes of Israel disobeying and dishonoring God which results in God allowing other people to conquer Israel. But when they cry out to God and repent (are sorry for their sins) God shows them grace (giving them something they don't deserve) over and over again.

As a family, thank God that He doesn't give up on us. Even when He has to correct us, it is ALWAYS out of love. He wants us to do the right thing so He can bless us!

And in our families this week, let's try showing each other the grace that God has shown us! Let's give each other another chance! It is what God would do!

*Chimp Room – 2 year old*

**1 Samuel 17                  David Praises God**

God wants us to praise Him. Praising God means to tell God we love Him and we are thankful for the things He does for us. What are some of your favorite songs?

**Faithful Fish - 3 year olds and Kingdom Kids - 4 year olds through Kindergarten**

Genesis 1:6-10; 20-23                  Water and Air

Last week we learned that God made the nighttime and daytime. He put the sun in the sky to light the daytime. He put the moon and stars for the nighttime. Today we learned that God wasn't finished yet. God said, "Let there be a huge space of air about the waters of the world." God called the air "sky." He also made the waters come together when the waters came together God called the dry ground "land" and the water that were gathered He called "oceans." Just think He made this for us!

**Bible Verse:** God saw all that he hade made, and it was very good. Genesis 1:31

## Children's Wellness Policy

All Staff and children are asked to refrain from attending when ill. Children should not be admitted into class with any of the following symptoms and/or illness; fever or throwing up in the last 24 hours, runny nose (not clear), active chicken pox, questionable rashes, any Skin Infection-boils, ring worm, impetigo, measles, mumps, conjunctivitis (pinkeye), diarrhea, coughing/croup, head lice, including the presence of eggs or nits.

# Mzawa Church

The entire Bible is full of God's people lying, deceiving, and bending the truth. But God does not want us to live a life of deceit.

What does Exodus 20:16 say about lying?

What does 2 Corinthians 5:17 say about what you become after you decide to follow Christ?

Colossians 3:19a tells us not to lie to each other because you have taken off what?

Let's take the "old self" that was used to lying and make a "new self" that realizes it's always better to tell the truth
