What comes to mind when you think of a hero? Maybe you think of a brave fireman running into a burning building to save a child trapped in the flames. Maybe you think of a police officer stopping a bank robbery. This week we learned about a man named Gideon, who led the Israelites to victory over the Midianites. At first, we might think of Gideon as a hero, but looking closer at what the Bible says, Gideon was actually a pretty fearful guy, who was not really following God's laws.

Who did Gideon blame for the way the Midianites were oppressing Israel? (Judges 6:13)

What two things did God do to make sure Gideon and Israel could not take credit for defeating the Midianites?

1. (Judges 7:3)
2. (Judges 7:5)

What "weapons" did God send Gideon's men to battle with?

(Judges 7:16)

Not exactly our idea of highly trained "special forces" taking out the enemy and saving the day...is it? So, who is the "hero" in this story? God, of course! No one else could take the credit! Let's ask God to help us remember this in our lives! Even the things we are good at (like singing, sports, or school work) ultimately are because God has given us talents in those areas. HE is the hero! Let's use our gifts and talents for Him and give Him the credit!

Genesis 1:9-12, 29-31 So Many Plants

We have been learning about creation this month. This week we find out that God was not done with creation when he created the water and air. He created plants to grow on the land. God also provided the sun and water for the plants to grow. What are some of your favorite plants?
