

Oasis Grades 1st-4th MPact

This week we learned about how God kept Baby Jesus safe! We know that NOTHING can stop God's plan, but wicked King Herod seriously tried to kill the newborn King! Who would have thought that God would protect Jesus in such an unusual way!

How did Herod find out about the newborn King? (Matthew 2:1-2)

How did Joseph find out that King Herod wanted to kill Jesus?

(Matthew 2:13)

Where did Mary and Joseph go to hide from Herod? (Matthew 2:14)

Of course, God made sure His Son, Jesus would be safe! But imagine how amazed Mary and Joseph were by the sudden visit from the wisemen with their expensive gifts, and by the dream Joseph had, warning him to take his family to Egypt! And how surprised they must have been to find themselves suddenly living in a foreign land! I bet they never expected that! Yet, how amazed they must have been at how God protected them and provided for them!

We can count on God's care too! As a family, **read Psalm 91!** Thank God for His promise to always care for you!

Matthew 2:1-11 Worship Jesus

When Jesus was born, God made a very bright star shine and when the wise men saw the star they knew that the King of the Jews was born. They wanted to worship Him because he was the King of the Jews. Jesus is the king of the Jews. The wise men believed it was important to worship Jesus. They had to travel on camels to get to Bethlehem. This meant they traveled a very long time to get to see Jesus and worship Him. The wise men found Jesus and they worshiped Him by bowing down before Him. They brought gifts of gold, incense, and myrrh to Him. Like the wise men, we can also worship Jesus for who He is, God's Son, King of the Jews and our Savior.

Bible Verse: A Savior has been born. Luke 2:11

Children's Wellness Policy

All Staff and children are asked to refrain from attending when ill. Children should not be admitted into class with any of the following symptoms and/or illness; fever or throwing up in the last 24 hours, runny nose (not clear), active chicken pox, questionable rashes, any Skin Infection-boils, ring worm, impetigo, measles, mumps, conjunctivitis (pinkeye), diarrhea, coughing/croup, head lice, including the presence of eggs or nits.

Mzawa Church

Well helloooooo from the Mzawa Church staff! This week we return to our series in Genesis as we continue to look at the creation story. Just as God shaped and formed the earth, we are going to discover how that same God shapes and forms us too!

Read Genesis 1:2, what does this verse say the world looked like?

What did God do after he created the earth? He shaped it.

In Luke 9:51-56, what did James and John want to do to the people in Samaria when they didn't want Jesus to come?

Later in life, what did John write about more than anyone else in the Bible (see Mark 3:17)? Does God still "shape" us after we become a Christian?

It is amazing that the same God who created everything wants to be intricately involved in our lives! Even when we decide to accept Christ as our Lord and Savior, God continues to shape and mold us into men and women of God. It is exciting to think that God's work in our lives never stops and that He is always wanting us to allow Him to use us.
