

Oasis Grades 1st-4th MPact 5th-6th

This week we learned about how David's relationship with Saul changed. Originally, Saul loved David for playing his harp to comfort him when an evil spirit bothered him. Then, after David killed the giant Goliath, Saul gladly made David a part of the royal household. Unfortunately, Saul's feelings for David soon changed to such hatred, that Saul wanted to kill David. But in the middle of all this turmoil, David made a very good friend.

Who was David's best friend? (1 Sam. 18:1)

What incredible thing did this friend do for David? (1 Sam. 20:41-42)

As a family, discuss what it means to be a true friend. It is very important to choose our friends carefully. Some "friends" can even do us harm. But true, healthy friendships are a gift from God. Talk about your friends with your parents. Do your friends influence you to do good things? Ask them if they think the friends you have chosen are good for you. Listen to what your parents have to say about your friendships. Remember...your parents can sometimes see things you can't, and God has given you parents to help guide you!

Genesis 1:27; 3:20; 4:1-2; Job 20:9a; 34:3 GOD MADE OUR SENSES
Today we learned that God made the earth and everything in it. God made the first people on earth, Adam and Eve. God made their two boys Cain and Abel. God wanted them to enjoy the special parts of their bodies called senses. He gave them fingers to feel, eyes to see, a nose to smell, ears to hear, and a tongue to taste with. God blessed you with the same. What is your favorite thing to see? What is your favorite thing to taste and ear?

Bible Verse: The LORD is God. It is He who made us. Psalm 100:3

Genesis 27:1 – 28:4; 32:3-21; 33:1-11 GETTING ALONG
Today we learned how Jacob and Esau learned to get along. Jacob and Esau were Isaac's sons. Jacob and Esau had a fight and Jacob moved away from his family. Jacob stayed away from home a long time. He missed home but did not know if it was time to go back and if Esau would accept him back. Jacob sent messengers to Esau. Jacob said, "Take these animals to Esau as a gift from me. Tell Esau, "I am on my way to see him." When Jacob came close to Esau, Esau ran to him and hugged him. Esau was glad to see his brother. It is good that Jacob and Esau finally learned to get along. God wants us to get along with others, too.

Bible Verse: I praise you because I am fearfully and wonderfully made. Psalm 139:14

Mzawa Church

Hello from the Mzawa Church staff! This week we continue our series in Genesis by talking about when God created the sun, moon, and stars. God created all kinds of light to guide us during the day and the night. These lights help us know the time of day and what season it is. God thought of everything, and we owe our very existence to the great Creator! This week also marks our halfway point through our Creation series, so we will be doing plenty of review over the last few weeks.

As a family, read through Genesis 1:14-18 and Psalm 148:3

1. What did God create in Genesis 1:14-18?
2. What are some different ways that light from the Sun, Moon, and Stars help us?
3. What does looking at the Sun, Moon, and Stars tell you about God?
4. What is your favorite story from the Bible that we have talked about in the last few weeks? What did you learn from it?
5. Try reciting our key verse, Psalm 148:3.
