

# Oasis Grades 1st-4th MPact

When someone does something wrong to us, it is very easy to feel like we have the right to “get them back”. After all, they started it! They were mean first! However, this week’s lesson gives us an example of what God wants us to do...do what is right, no matter what! And then trust God to work out the rest!

David was now on the run for his life! Saul had already tried to kill him. Now Saul, along with 3,000 soldiers, was hunting David down in the wilderness. David and his men were hiding in the back of a cave, when Saul came in to relieve himself.

**David could have killed Saul, but instead, what did he do?**

(I Samuel 24:4)

**Why did David feel guilty about doing that?** (I Samuel 24:5-6)

As we read this passage, we learn that David’s men were almost begging David to kill Saul, but David would not hurt Saul, even if Saul was trying to kill him. David was much more concerned about obeying God than getting revenge. David trusted God to make things right and God blessed him for it! Do you think this is why God was so pleased when he looked at David’s heart?

As a family, pray together that God will give us obedient hearts like David!

THE GOOD SAMARITAN

Jesus told the story of the good Samaritan to teach us to be kind. The good Samaritan was a kind man who helped a man who had been hurt along the road. We should be kind and thoughtful to other people.

TOGETHER WE PRAY

Today we learned about a king of Israel. That king’s name was Solomon. For many years the people of Israel did not have a special building where they could worship God. God wanted King Solomon to build a special place, or temple, where the people of Israel could worship. King Solomon told the workers how to build the building. When the building was completed King Solomon planned a time for people to come to the new temple and praise God. The people came and worshipped and prayed to God. We can also worship and pray to God.

GIVE GLADLY

Today we learned about Joash. Joash was only 7 years old when he became king of Israel. Joash was certainly a young king but he was a good king because he listened to the priest and did what God wanted. When Joash was older he realized that the temple needed to have some repairs. Joash knew that the temple should look good to honor God. He told the priest to collect the offerings the people gave to pay for the cost of fixing the temple. Just like the people in Joash’s time, we worship God by giving gladly.

**Bible Verse:** Worship the LORD with gladness; come before him with joyful songs. Psalm 100:2

# Mzawa Church

Hello from the Mzawa Church staff! Last week we finished our review of our first seven lessons in Genesis and now we are continuing in our creation series as we talk about when God made all the animals. We can tell how detailed and great our God is by the vast number of creatures He made and how He made them for their specific locations: air, land, and water.

As a family, read through Genesis 1:20-25

1. Who are the three actors we keep meeting in Mzawa? Kids, can you describe each of them to your parents?
2. What different types of animals did God create?
3. What is one thing we can see about God from looking at all the different creatures He created?
4. Try to recite our key verse: Genesis 1:25

If you think our God is detailed with how He created the animals, wait until next week when we discover how God created us!
