We have heard many stories this year of God's amazing power! No one can stop His plan! David, and the Israelites owe everything to God. He has protected them and forgiven them and delivered them over and over. Now, God has made David the king of Israel. This week's story is an incredible story of how God loves His servant David. When David decides it is time for him to do something special for God, God completely turns it around into a remarkable blessing to David!

What did David want to do for God? (2 Samuel 7:2)

What did God do for David instead? (2 Samuel 7:16)

What a gracious and loving God we have! When David desired to do something special for God, God instead made an incredible promise to David. This is the wonderful Lord we worship! We can NEVER out-give or out-love Him!

As a family, get out a sheet of paper and a pen. Now, work together to "count your blessings, name them one by one"! See what God has done in your family's life. No matter what difficulties your family may be facing, if you take the time to remember God's goodness, you will be encouraged! We serve a loving, kind, all-powerful God!

Genesis 6:8-8:22 NOAH AND THE BIG BOAT

God told Noah to take some of every kind of animal into the big boat so they would be safe from the big flood. While the animals were in the big boat, Noah took very good care of them. He fed them. He made sure they had water and he saw that they had a good place to sleep.

Mark 12:41-44 WE CAN GIVE

One day Jesus and His helpers were at the temple. The temple was in the city of Jerusalem. Many people went there to worship and learn about God. Jesus sat across from the place where people put their gift offerings of money. The rich people did not give all that they could give and it made Jesus sad. Jesus saw a poor woman come to the temple and she gave all she had to God. This made Jesus very happy. We can all give to God.

1 Kings 8 PRAYER IN WORSHIP

Today we learned about King David wanting to build a temple for the people of Israel to have a place to worship God. God promised David that his son, Solomon, would build a temple. When Solomon became king, he hired workers to build the temple. It took them seven years to build the temple. When the temple was completed Solomon invited all of the priests and people to come and worship God. Solomon prayed and thanked God for keeping His promise. Solomon showed us how to worship God by praying.

Mzawa Church

Hello from the Mzawa Church staff! Last week we discussed how we are created in the image of God. This week, we are in Genesis 1:28 and discussing how God gave man dominion over the earth. We'll also be looking in the book of Numbers when God wanted to give the Israelites the land of Canaan but 10 of the 12 spies thought it would be impossible.

As a family, read through Genesis 1:28 and Numbers 13:17-33, 14:1-16 and answer the following questions:

1. What responsibilities did God give to man when He created Adam?
2. Did Adam and Even do a good job?
3. What happened in Numbers with the 12 spies Moses sent out? Why was God so angry with the Israelites?
4. What can we do NOW to fulfill our responsibility to taking care of the planet God gave us?
5. Try reciting our key verse: Psalm 8:6

God put mankind over the earth. We are to take care of all the things our amazing God created. However, just like with Adam and Eve or the Israelites, we don't always listen to God or do a great job following His commands. God blessed us with an amazing planet and it is our responsibility to take care of it. Especially considering the planet displays all of God's amazing craftsmanship!
