Solomon had everything going for him! As a young king, God was very pleased when Solomon wanted wisdom more than anything else. God was so happy with his choice that He also blessed Solomon with great wealth, the respect of other rulers and peace throughout the land. Then Solomon did something else that greatly pleased God. He built the temple for God that his father, David, so badly wanted to build. God was very happy with the temple that Solomon had built for him. But after its dedication, God gave Solomon a stern warning.

What warning did God give Solomon? (1 Kings 9:6-7)

Throughout most of Solomon's life, he listened to God's warning and faithfully worshipped God alone. But at the end of his life, something changed!

Why was it wrong for Solomon to marry women from other nations? (1 Kings 11:4)

Today, we don't really have a problem with worshipping carved idols of stone or wood, but are there other things we allow to get "too important" to us? As a family, discuss what kind of things can become idols in our lives. Then, confess to God the things that you have allowed to become more important than Him.

Luke 15:4-7; John 10:27 THE LOST SHEEP

Jesus told a story about a Good Shepherd who cared for His sheep. When one sheep got lost, the Good Shepherd looked and looked for the sheep until he found the sheep. Then he would carry the sheep home and took care of it. Jesus wants us to listen to Him and obey Him. We learn what Jesus wants us to do by learning from the Bible, by going to church and obeying our parents.

Matthew 20:29-34 I NEED THIS

Today we learned about two blind men. One day they were sitting beside a road near the city of Jericho. They heard people talking and they wanted to know what was going on. Someone told them Jesus was coming. The two men believed in Jesus and knew He could make them see again. "Jesus, help us!" they cried out. Jesus heard their cry and touched their blind eyes and suddenly they could see! We can tell Jesus what we need too. Jesus cares about you.

Mzawa Church

Hello from the Mzawa Church staff! Last week we discussed how everything God created was good. We also discussed the story of Joseph and how even things that are intended for evil, God can use for good. This week, we finish our series on creation by discussing God's finished work and how he rested on the seventh day.

As a family, read through Genesis 2:2 and John 19:23-30 and answer the following questions:

1. What did God do on the seventh day of creation? Why did he rest? Was God actually tired?
2. Why then did God rest?
3. What were the last words Jesus said before he died?
4. What did Jesus finish?
5. Can we earn our way to heaven? What do we have to do to be rid of our sin?

God is accustomed to finishing what he started! When creation was finished, He rested and thought all His creation was "good". Jesus also finished something for us; He finished paying the price for our salvation!
